Harbor Reserve
Community Development District
Audit Selection Committee

Dear Committee Members:

We are pleased to have this opportunity to present the qualifications of DiBartolomeo, McBee, Hartley & Barnes, P.A. (DMHB) to serve as Harbor Reserve Community Development District's independent auditors. The audit is a significant engagement demanding various professional resources, governmental knowledge and expertise, and, most importantly, experience serving Florida local governments. DMHB understands the services required and is committed to performing these services within the required time frame. We have the staff available to complete this engagement in a timely fashion. We audit several entities across the State making it feasible to schedule and provide services at the required locations.

Proven Track Record—Our clients know our people and the quality of our work. We have always been responsive, met deadlines, and been willing to go the extra mile with the objective of providing significant value to mitigate the cost of the audit. This proven track record of successfully working together to serve governmental clients will enhance the quality of services we provide.

Experience—DMHB has a history of providing quality professional services to an impressive list of public sector clients in Florida. We currently serve a large number of public sector entities in Florida, including cities, villages, special districts, as well as a large number of community development districts. Our firm has performed in excess of 100 community development district audits. In addition, our senior management team members have between 25 and 35 years experience in serving Florida governments. DMHB is a recognized leader in providing services to governmental and non-profit agencies within the State of Florida. Through our experience in performing audits, we have been able to increase our audit efficiency and therefore reduce cost. We have continually passed this cost saving on to our clients and will continue to do so in the future. As a result of our experience and expertise, we have developed an effective and efficient audit approach designed to meet or exceed the performance specifications in accordance with audit standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States with minimal disruption to your operations. Our firm has frequent technical updates to keep our personnel informed and up to date on all changes that are occurring within the industry.

Timeliness – In order to meet the Districts needs, we will perform interim internal control testing by January 31st from unaudited preliminary general ledgers provided. The remaining testing will be completed no later than May 1st. We will also review all minutes and subsequent needs related to the review of the minutes by January 31st. Follow up review will be completed as necessary.

Communication and Knowledge Sharing— Another driving force behind our service approach is frequent, candid and open communication with management with no surprises. During the course of the audit, we will communicate with management on a regular basis to provide you with a status report on the audit and to discuss any issues that arise, potential management letter comments, or potential audit differences.

In the accompanying proposal, you will find additional information upon which you can evaluate DMHB's qualifications. Our full team is in place and waiting to serve you. Please contact us at 2222 Colonial Road, Suite 200 Fort Pierce, FL 34950. Our phone number is (772) 461-8833. We look forward to further discussion on how our team can work together with you.

Very truly yours,

A handwritten signature in black ink that reads "DiBartolomeo, McBee, Hartley & Barnes". The signature is written in a cursive, flowing style.

DiBartolomeo, McBee, Hartley & Barnes, P.A.

PROFESSIONAL QUALIFICATIONS (CONTINUED)

➤ *Governmental Audit Experience*

DiBartolomeo, McBee, Hartley & Barnes, P.A., through its principals and members, has provided continuous in-depth professional accounting, auditing, and consulting services to local government units, nonprofit organizations, and commercial clients. Our professionals have developed considerable expertise in performing governmental audits and single audits and in preparing governmental financial statements in conformance with continually evolving GASB pronouncements, statements, and interpretations. All of the public sector entities we serve annually are required to be in accordance with GASB pronouncements and government auditing standards. We currently perform several Federal and State single audits in compliance with OMB Circular A-133 and under the Florida Single Audit Act. Our professionals are also experienced in assisting their clients with preparing Comprehensive Annual Financial Reports (GFOA).

All work performed by our firm is closely supervised by experienced certified public accountants. Only our most seasoned CPA's perform consulting services. Some of the professional accounting, auditing, and management consulting services currently provided to our local governmental clients include:

- Annual financial and compliance audits including Single Audits of State and Federal financial assistance programs under OMB A-133 audit criteria and the Florida Single Audit Act
- Assisting in compiling historical financial data for first-time and supplemental submissions for GFOA Certificate of Achievement of Excellence in Financial Reporting
- Audits of franchise fees received from outside franchisees
- Assistance with Implementation of GASB-34
- Internal audit functions
- Fixed assets review and updating cost/depreciation allocations and methods

ADDITIONAL DATA

➤ *Procedures for Ensuring Quality Control & Confidentiality*

Quality control in any CPA firm can never be taken for granted. It requires a continuing commitment to professional excellence. DiBartolomeo, McBee, Hartley & Barnes is formally dedicated to that commitment.

In an effort to continue to maintain the standards of working excellence required by our firm, DiBartolomeo, McBee, Hartley & Barnes, P.A. joined the Quality Review Program of the American Institute of Certified Public Accountants. To be a participating member firm, a firm must obtain an independent compliance review of its quality control policies and procedures to ascertain the firm's compliance with existing auditing standards on the applicable engagements. The scope of peer review is comprehensive in that it specifically reviews the following quality control policies and procedures of the participating firm:

- Professional, economic, and administrative independence
- Assignment of professional personnel to engagements
- Consultation on technical matters
- Supervision of engagement personnel
- Hiring and employment of personnel
- Professional development
- Advancement
- Acceptance and continuance of clients
- Inspection and review system

➤ *Independence*

Independence is a hallmark of our profession. We encourage our staff to use professional judgment in situations where our independence could be impaired or the perception of a conflict of interest might exist. In the governmental sector, public perception is as important as professional standards. Therefore, independent auditors must exercise utmost care in the performance of their duties.

Our firm has provided continuous certified public accounting services in the government sector for 31 years, and we are independent of the Community Development Districts as defined by the following rules, regulations, and standards:

ADDITIONAL DATA (CONTINUED)

➤ *Independence (Continued)*

- Au Section 220 – Statements on Auditing Standards issued by the American Institute of Certified Public Accountants
- ET Sections 101 and 102 – Code of Professional Conduct of the American Institute of Certified Public Accountants
- Chapter 21A-21, Florida Administrative Code
- Section 473.315, Florida Statutes
- Government Auditing Standards, issued by the Comptroller General of the United States

➤ *Computer Auditing Capabilities*

DiBartolomeo, McBee, Hartley & Barnes' strong computer capabilities as demonstrated by our progressive approach to computer auditing and extensive use of microcomputers. Jay McBee is the MIS partner for DMHB. Jay has extensive experience in auditing and evaluating various computer systems and would provide these services in this engagement.

We view the computer operation as an integral part of its accounting systems. We would evaluate the computer control environment to:

- Understand the computer control environment's effect on internal controls
- Conclude on whether aspects of the environment require special audit attention
- Make preliminary determination of comments for inclusion in our management letter

This evaluation includes:

- System hardware and software
- Organization and administration
- Access

TECHNICAL APPROACH

a. *An Express Agreement to Meet or Exceed the Performance Specifications.*

1. The audit will be conducted in compliance with the following requirements:
 - a. Rules of the Auditor General for form and content of governmental audits
 - b. Regulations of the State Department of Banking and Finance
 - c. Audits of State and Local Governmental Units-American Institute of Certified Public Accountants.
2. The audit report shall contain the opinion of the auditor in reference to all financial statements, and an opinion reflecting compliance with applicable legal provisions.
3. We will also provide the required copies of the audit report, the management letter, any related reports on internal control weaknesses and one copy of the adjusting journal entries and financial work papers.
4. The auditor shall, at no additional charge, make all related work papers available to any Federal or State agency upon request in accordance with Federal and State Laws and Regulations.
5. We will work in cooperation with the District, its underwriters and bond council in regard to any bond issues that may occur during the term of the contract.
6. The financial statements shall be prepared in conformity with Governmental Accounting Standards Board Statement Number 34, 63 and 65.

We will commit to issuing the audit for each Fiscal year by June 1st of the following year. In order to ensure this we will perform interim internal control testing as required by January 31st from unaudited preliminary general ledgers provided. The remaining testing will be completed no later than May 1st. We will also review all minutes and subsequent needs related to the review of the minutes by January 30th. Follow up review will be completed as necessary.

b. SPECIFIC AUDIT APPROACH

Our partners are not strangers who show up for an entrance conference and an exit conference. We have developed an audit plan that allows the partners to directly supervise our staff in the field. By assigning two partners to the audit, we will have a partner on-site for a significant portion of the fieldwork. This also gives the District an additional contact individual for questions or problems that may arise during the audit.

The scope of our services will include a financial, as well as, a compliance audit of the District's financial statements. Our audit will be conducted in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Additionally, our audit will be conducted in accordance with the provisions of Chapter 10.550, Rules of the Auditor General, which govern the conduct of local government entity audits performed in the State of Florida.

Our audit approach places emphasis on the accounting information system and how the data is recorded, rather than solely on the verification of numbers on a financial statement. This approach enables us to:

- Maximize our understanding of the District's operating environment
- Minimize time required conducting the audit since we start with broad considerations and narrow to specific audit objectives in critical areas

Our audit approach consists of four phases encompassing our audit process:

- Planning Phase
- Detailed Audit Phase
- Closing Phase
- Reporting

Planning Phase

Meetings and Expectations:

Our first step in this phase will be to set up a planning meeting with the financial and operating management of Harbor Reserve Community Development District. Our goal here is to eliminate "surprises." By meeting with responsible officials early on we can discuss significant accounting policies, closing procedures and timetables, planned timing of our audit procedures and expectations of our work. This will also be the starting point for our discussions with management related to *SAS No. 99-Consideration of Fraud in a Financial Statement Audit*. Inquiries will be made regarding managements knowledge of fraud and on management's views regarding the risk of fraud.

Review Operations and Develop Engagement Plan

It is critical that we understand the District's operating environment. To do this we will obtain and review such items as, organizational charts, recent financial statements, budget information, major contracts and lease agreements. We will also gather other information necessary to increase our understanding of the District's operations, organization, and internal control.

Study and Evaluate Internal Control

As part of general planning, we will obtain an understanding and assessment of the District's control environment. This assessment involves a review of management's operating style, written internal control procedures, and the District's accounting system. The assessment is necessary to determine if we can rely on control procedures and thus reduce the extent of substantive testing.

We then test compliance with established control procedures by ascertaining that the significant strengths within the system are functioning as described to us. Generally, transactions are selected and reviewed in sufficient detail to permit us to formulate conclusions regarding compliance with control procedures and the extent of operation compliance with pertinent laws and regulations. This involves gaining an understanding of the District's procedures, laws and regulations, and testing systems for compliance by examining contracts, invoices, bid procedures, and other documents. After testing controls, we then evaluate the results of those tests and decide whether we can rely on controls and thus reduce other audit procedures.

Conduct Preliminary Analytical Review

Also during the planning stage, we undertake analytical procedures that aid us in focusing our energies in the right direction. We call these analytical reviews.

A properly designed analytical review can be a very effective audit procedure in audits of governmental units. Analytical reviews consist of more than just a comparison of current-year actual results to prior-year actual results. Very effective analytical review techniques include trend analysis covering a number of years and comparisons of information not maintained totally within the financial accounting system, such as per capita information, prevailing market interest rates, housing statistics, etc.

Some examples of effective analytical reviews performed together and/or individually include:

- Comparison of current-year actual results with current-year budget for the current and past years with investigation of significant differences and/or trends
- Trend analysis of the percentage of current-year revenues to current-year rates for the current and previous years with investigation of significant changes in the collection percentage
- Trend analysis of the percentage of expenditures by function for the current and previous years with investigation of significant changes in percentages by department
- Monthly analysis of receipts compared to prior years to detect trends that may have audit implications

Conclusions reached enable us to determine the nature, timing and extent of other substantive procedures.

Detailed Audit Phase

Conduct Final Risk Assessment and Prepare Audit Programs

Risk assessment requires evaluating the likelihood of errors occurring that could have a material affect on the financial statements being audited. The conclusions we reach are based on many evaluations of internal control, systems, accounts, and transactions that occur throughout the audit. After evaluating the results of our tests of control and our final risk assessment we can develop detailed audit programs.

Perform Substantive Tests of Account Balances

These tests are designed to provide reasonable assurance as to the validity of the information produced by the accounting system. Substantive tests involve such things as examining invoices supporting payments, confirmation of balances with independent parties, analytical review procedures, and physical inspection of assets. All significant accounts will be subjected to substantive procedures. Substantive tests provide direct evidence of the completeness, accuracy, and validity of data.

Perform Single Audit Procedures (if applicable)

During the planning phase of the audit we will request and review schedules of expenditures of federal awards and state financial assistance. These schedules will be the basis for our determination of the specific programs we will test.

In documenting our understanding of the internal control system for the financial statement audit, we will identify control activities that impact major federal and state programs as well. This will allow us to test certain controls for the financial audit and the single audit concurrently. We will then perform additional tests of controls for each federal and state program selected for testing. We will then evaluate the results of the test of controls to determine the nature, timing and extent of substantive testing necessary to determine compliance with major program requirements.

Perform Statutory Compliance Testing

We have developed audit programs for Harbor Reserve Community Development District designed to test Florida Statutes as required by the Auditor General. These programs include test procedures such as general inquiries, confirmation from third parties, and examination of specific documents.

Closing Phase

During the closing phase we perform detail work paper reviews, request legal letters, review subsequent events and proposed audit adjustments. Communication with the client is critical in this phase to ensure that the information necessary to prepare financial statements in conformity with accounting principles generally accepted in the United States has been obtained.

Reporting Phase

Financial Statement Preparation

As a local firm, we spend a considerable amount of time on financial statement preparation and support. With this in mind, we can assist in certain portions of the preparation of financial statements or simply review a draft of financials prepared by your staff. We let you determine our level of involvement.

Management Letters

We want to help you solve problems before they become major.

Our management letters go beyond citing possible deficiencies in the District's internal control structures. They identify opportunities for increasing revenues, decreasing costs, improving management information, protecting assets and improving operational efficiency.

The diversity of experience of our personnel and their independent and objective viewpoints make the comments, observations, and conclusions presented in our management letters a valuable source of information. We have provided positive solution-oriented objective recommendations to our governmental clients regarding investments, accounting accuracy, data processing, revenue bonds, payroll, utility billing, purchasing, budgeting, risk management, and internal auditing.

This review ensures the integrity of the factual data in the management letter but does not influence or impair our independence.

Exit Conferences and Delivery of Reports

We anticipate meeting with appropriate District personnel in February and issuing the final required reports by the May meeting of each year.

PROPOSED AUDIT FEE FOR EACH YEAR OF THE FIVE YEARS

DiBartolomeo, McBee, Hartley & Barnes P.A. will perform the annual audit of Harbor Reserve Community Development District for the three years as follows:

Our clients enjoy personalized service designed to satisfy their unique needs and requirements. Throughout the process of our audit, you will find that we welcome working with you to resolve any issues as swiftly and easily as possible. In addition, due to Grau's very low turnover rate for our industry, you also won't have to worry about retraining your auditors from year to year.

Developing Relationships

We strive to foster mutually beneficial relationships with our clients. We stay in touch year-round, updating, collaborating, and assisting you in implementing new legislation, rules and standards that affect your organization. We are also available as a sounding board and assist with technical questions.

Maintaining an Impeccable Reputation

We have never been involved in any litigation, proceeding or received any disciplinary action. Additionally, we have never been charged with, or convicted of, a public entity crime of any sort. We are financially stable and have never been involved in any bankruptcy proceedings.

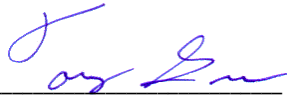

Complying With Standards

Our audit will follow the Auditing Standards of the AICPA, Generally Accepted Government Auditing Standards, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida, and any other applicable federal, state and local regulations. We will deliver our reports in accordance with your requirements.

YOUR ENGAGEMENT TEAM

Grau's client-specific engagement team is meticulously organized in order to meet the unique needs of each client. Constant communication within our solution team allows for continuity of staff and audit team. The Certified Information Technology Professional (CITP) Partner will bring a unique blend of IT expertise and understanding of accounting principles to the financial statement audit of the District.

The assigned personnel will work closely with the partner and the District to ensure that the financial statements and all other reports are prepared in accordance with professional standards and firm policy. Responsibilities will include planning the audit; communicating with the client and the partners the progress of the audit; and determining that financial statements and all reports issued by the firm are accurate, complete and are prepared in accordance with professional standards and firm policy.

The Engagement Partner will participate extensively during the various stages of the engagement and has direct responsibility for engagement policy, direction, supervision, quality control, security, confidentiality of information of the engagement and communication with client personnel. The engagement partner will also be involved directing the development of the overall audit approach and plan; performing an overriding review of work papers and ascertain client satisfaction.

Specific Audit Approach

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

AUDIT APPROACH

Grau's Understanding of Work Product / Scope of Services:

We recognize the District is an important entity and we are confident our firm is eminently qualified to meet the challenges of this engagement and deliver quality audit services. ***You would be a valued client of our firm and we pledge to commit all firm resources to provide the level and quality of services (as described below) which not only meet the requirements set forth in the RFP but will exceed those expectations.*** Grau & Associates fully understands the scope of professional services and work products requested. Our audit will follow the Auditing Standards of the AICPA, *Generally Accepted Government Auditing Standards*, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida and any other applicable Federal, State or Local regulations. **We will deliver our reports in accordance with your requirements.**

Proposed segmentation of the engagement

Our approach to the audit engagement is a risk-based approach which integrates the best of traditional auditing techniques and a total systems concept to enable the team to conduct a more efficient and effective audit. The audit will be conducted in three phases, which are as follows:

Phase I - Preliminary Planning

A thorough understanding of your organization, service objectives and operating environment is essential for the development of an audit plan and for an efficient, cost-effective audit. During this phase, we will meet with appropriate personnel to obtain and document our understanding of your operations and service objectives and, at the same time, give you the opportunity to express your expectations with respect to the services that we will provide. Our work effort will be coordinated so that there will be minimal disruption to your staff.

During this phase we will perform the following activities:

- » Review the regulatory, statutory and compliance requirements. This will include a review of applicable federal and state statutes, resolutions, bond documents, contracts, and other agreements;
- » Read minutes of meetings;
- » Review major sources of information such as budgets, organization charts, procedures, manuals, financial systems, and management information systems;
- » Obtain an understanding of fraud detection and prevention systems;
- » Obtain and document an understanding of internal control, including knowledge about the design of relevant policies, procedures, and records, and whether they have been placed in operation;
- » Assess risk and determine what controls we are to rely upon and what tests we are going to perform and perform test of controls;
- » Develop audit programs to incorporate the consideration of financial statement assertions, specific audit objectives, and appropriate audit procedures to achieve the specified objectives;
- » Discuss and resolve any accounting, auditing and reporting matters which have been identified.

Phase II – Execution of Audit Plan

The audit team will complete a major portion of transaction testing and audit requirements during this phase. The procedures performed during this period will enable us to identify any matter that may impact the completion of our work or require the attention of management. Tasks to be performed in Phase II include, but are not limited to the following:

- » Apply analytical procedures to further assist in the determination of the nature, timing, and extent of auditing procedures used to obtain evidential matter for specific account balances or classes of transactions;
- » Perform tests of account balances and transactions through sampling, vouching, confirmation and other analytical procedures; and
- » Perform tests of compliance.

Phase III - Completion and Delivery

In this phase of the audit, we will complete the tasks related to year-end balances and financial reporting. All reports will be reviewed with management before issuance, and the partners will be available to meet and discuss our report and address any questions. Tasks to be performed in Phase III include, but are not limited to the following:

- » Perform final analytical procedures;
- » Review information and make inquiries for subsequent events; and
- » Meeting with Management to discuss preparation of draft financial statements and any potential findings or recommendations.

You should expect more from your accounting firm than a signature in your annual financial report. Our concept of truly responsive professional service emphasizes taking an active interest in the issues of concern to our clients and serving as an effective resource in dealing with those issues. In following this approach, we not only audit financial information with hindsight but also consider the foresight you apply in managing operations.

Application of this approach in developing our management letter is particularly important given the increasing financial pressures and public scrutiny facing today's public officials. We will prepare the management letter at the completion of our final procedures.

In preparing this management letter, we will initially review any draft comments or recommendations with management. In addition, we will take necessary steps to ensure that matters are communicated to those charged with governance.

In addition to communicating any recommendations, we will also communicate the following, if any:

- » Significant audit adjustments;
- » Significant deficiencies or material weaknesses;
- » Disagreements with management; and
- » Difficulties encountered in performing the audit.

Our findings will contain a statement of condition describing the situation and the area that needs strengthening, what should be corrected and why. Our suggestions will withstand the basic tests of corrective action:

Is the recommendation cost effective?

Is the recommendation the simplest to effectuate in order to correct a problem?

Is the recommendation at the heart of the problem and not just correcting a symptomatic matter?

Is the corrective action taking into account why the deficiency occurred?

To assure full agreement with facts and circumstances, we will fully discuss each item with Management prior to the final exit conference. This policy means there will be no “surprises” in the management letter and fosters a professional, cooperative atmosphere.

Communications

We emphasize a continuous, year-round dialogue between the District and our management team. We regularly communicate through personal telephone calls and electronic mail throughout the audit and on a regular basis.

Our clients have the ability to transmit information to us on our secure client portal with the ability to assign different staff with separate log on and viewing capability. This further facilitates efficiency as all assigned users receive electronic mail notification as soon as new information has been posted into the portal.

Cost of Services

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

Our proposed all-inclusive fees for the financial audit for the fiscal years ended September 30, 2025-2029 are as follows:

<u>Year Ended September 30,</u>	<u>Fee</u>
2025	\$2,800
2026	\$2,900
2027	\$3,000
2028	\$3,100
2029	<u>\$3,200</u>
TOTAL (2025-2029)	<u>\$15,000</u>

The above fee is based on the assumption that the District maintains its current level of operations. Should conditions change or Bonds are issued the fee would be adjusted accordingly upon approval from all parties concerned.

ADDITIONAL SERVICES

CONSULTING / MANAGEMENT ADVISORY SERVICES

Grau & Associates also provide a broad range of other management consulting services. Our expertise has been consistently utilized by Governmental and Non-Profit entities throughout Florida. Examples of engagements performed are as follows:

- Accounting systems
- Development of budgets
- Organizational structures
- Financing alternatives
- IT Auditing
- Fixed asset records
- Cost reimbursement
- Indirect cost allocation
- Grant administration and compliance

ARBITRAGE

The federal government has imposed complex rules to restrict the use of tax-exempt financing. Their principal purpose is to eliminate any significant arbitrage incentives in a tax-exempt issue. We have determined the applicability of these requirements and performed the rebate calculations for more than 150 bond issues, including both fixed and variable rate bonds.

Board of Supervisors
Harbor Reserve Community Development District
Osceola County

McIntosh CPA is pleased to submit this proposal to provide annual auditing services for the Harbor Reserve Community Development District (the "District"). Our firm specializes in auditing services for governmental entities, including special districts, ensuring compliance with Florida Statutes, Government Auditing Standards (Yellow Book), and the requirements set forth by the Florida Auditor General. We are a Woman & Minority Business certified by the State of Florida.

While the firm is new, the managing partner has been providing auditing services to special districts for over 18 years and has an impeccable reputation among former clients. With this experience and knowledge, we are uniquely qualified and ready to assist the District with the audit services needed. We are confident that we will not only provide the services required but exceed expectations.

We understand the importance of accountability and fiscal responsibility in government operations. Our audit methodology is designed to provide an efficient, thorough, and collaborative review process while minimizing disruption to your daily operations. Additionally, we are committed to maintaining open communication and delivering clear, actionable recommendations to support the District's financial integrity and operational efficiency.

We have an established reputation for delivering high-quality, timely, and efficient audits. With our extensive experience, we are confident in our ability to provide the District with the highest level of professional service. We acknowledge that this proposal is valid for ninety (90) days following submission.

We thank you for the opportunity to provide a proposal and look forward to working with the District's team. Please do not hesitate to contact Racquel McIntosh at 2385 NW Executive Center Dr., Suite 100, Boca Raton FL 33431, 561-981-6282, or mcintoshcpa@outlook.com with any questions.

Sincerely,

Racquel McIntosh

Racquel McIntosh, CPA
Founder & Managing Partner

Statement of Understanding and Scope of Work

The Harbor Reserve Community Development District requires independent audit services for the fiscal years ending September 30, 2025, with an option for four additional one-year renewals. Our firm understands that the audit must comply with:

- Chapter 218.39, Florida Statutes
- Florida Auditor General’s Rules
- Government Auditing Standards (Yellow Book)
- Licensure under Chapter 473

The audit will include an examination of the District’s financial records, internal controls, and compliance with applicable laws and regulations.

AUDIT TIMELINE

We recognize the importance of adhering to the District’s annual audit deadline of June 30th and are fully committed to ensuring a timely and efficient audit process. Racquel McIntosh will be responsible for the firm meeting the required deadline. Our team will strategically plan and execute the audit to ensure that the draft and auditor’s reports are completed well in advance of the deadline, allowing ample time for review and discussion. Additionally, we will maintain open communication throughout the engagement to address any concerns promptly and ensure a smooth and seamless audit experience.

SCOPE OF WORK

- Conduct an independent audit in accordance with Government Auditing Standards
- Evaluate internal controls and compliance with Florida statutes
- Issue audited financial statements with findings and recommendations
- Report to the Board of Supervisors on the audit findings
- Provide ongoing support for financial and compliance questions

The audit will be performed in the three phases below;

AUDIT PLANNING

This is the most critical part of an audit, as a well planned audit determines the flow and efficiency for the entire audit. Planning consists of the following segments:

Obtain an understanding of the District – we will gain an understanding of the District in order to perform risk assessment for the various segments of the audit. It involves reviewing the policies and procedures, documenting the internal controls of the District, including compliance requirements, and making an initial assessment of inherent risk in order to determine the preliminary risk of material misstatement to the financial statements. It also includes gaining an understanding of the District's IT environment and how that affects financial reporting.

IT Assessment – we will discuss with management and document the District's IT infrastructure, including; general controls over the network and the accounting software, and specific controls within the accounting software. We will also discuss access, backups, disaster recovery, and virus protection. These discussions will assist in determining if the IT infrastructure is adequate to reduce any material financial statement misstatements.

Preliminary analytics – current vs prior year review of accounts to determine and document causes for fluctuations.

Risk Assessment - Used in conjunction with other planning items above to dictate further audit procedures.

FIELDWORK

Based on the risk assessment results from planning, a combination of analytical procedures, detail test of transactions, and use of audit confirmations will be applied by the auditor.

Analytical procedures – these will consist of revenue and expenditure variances from the prior year, variances with the budget, calculating revenue expectations, and reviewing trend analysis for anomalies.

Test of details – these will consist of tracing and vouching transactions to and from the accounting records. Will also include testing bond compliance.

Audit confirmations – these will be sent to attorneys, tax collector, bond trustees, and other entities as deemed necessary.

REPORTING

Once the fieldwork has been completed, a draft of the financial statements along with all related audit reports will be prepared for management's review. McIntosh CPA utilizes a memo to management regarding findings and recommendations not deemed significant and therefore not included in any of the audit reports. The memo will detail the observation and provide a recommendation for corrective action. No management response is required since it will not be presented in any audit report. Before a finding is reported in the audit report, a determination is made as to why the issue occurred and whether it was a one-time occurrence. We ensure that reporting items in the audit report are necessary and that recommendations are cost beneficial.

For all three phases above, if deficiencies or discrepancies are identified, management will be informed immediately to give them a chance to research and provide additional information or put corrective measures in place.

Qualifications and Experience

INDEPENDENCE

We affirm that McIntosh CPA is independent with respect to the District. We meet the independence standards of Generally Accepted Auditing Standards and the U.S. Government Accountability Office’s *Government Auditing Standards*.

FIRM QUALIFICATIONS

- Licensed under Chapter 473, Florida Statutes
- Over 18 years of experience auditing governments
- Demonstrated expertise in auditing special districts and financials
- Strong track record of timely report delivery and responsiveness

The services as outlined in the statement of understanding will be overseen by Racquel McIntosh CPA, who brings 18 years of exemplary service in the government auditing and accounting industry. In her previous role, she was an audit partner providing auditing services to municipalities and special districts throughout the State of Florida and was in charge of audit quality for the firm. In addition, she assisted clients with internal policy review, internal control best practices and implementation, and assisted with implementation of accounting software and accounting standards.

Further, she has met the educational requirements for CPAs set forth under Florida Statutes and the Government Auditing Standards (Yellow Book) issued by the Government Accountability Office (GAO). See next page for resume.

Value-Added Service

In addition to providing audit services for the District, Racquel provides an annual training session for the District accounting staff which will include; reviewing items found in the previous year’s audit, accounting treatment for certain transactions, how to respond to auditor inquiry, how to analyze financial statements, and new accounting standards and regulations applicable to the upcoming audit year.
